

## Basic Sewing for Kids Supply List

1. Students will need a sewing machine with a foot control, power cord, accessories that came with the machine, and the manual. **It is important that the machine is in good working order. Toy machines will not work for this class. If you are not sure about the machine, please bring it into the store as soon as possible and we will let you know. If you do not have a sewing machine, we can provide one for use in class. Please reserve a machine when you sign up for the class.**
2. This class meets from 9:00 am to 12:30 pm. There will be a short break for a snack, so please send an appropriate snack and drink for your child.

The class fee of \$100 includes the teacher's fee and a workbook. The kit fee of \$33.50 includes all of the fabrics and notions used for the workbook samples and three projects: Pillow, Drawstring Bag, and Book Bag.

Cottage Quilts will have a basic sewing kit for students to use while they are in class.
