

Fleur de Lis Supply List

Embroidery Machine, foot control, power cord, and machine manual.

Embroidery Hoop for the block size you will be making.

Inspira Embroidery Needle, size 90

USB Stick

Fabrics, Battilizer and Threads – Use the Fabric and Thread Key for yardage requirements for blocks, backing, sashing, binding, and Battilizer. Since this is a quilt-as-you-go project, you will need your backing fabric at the beginning. The Key will also help you choose your thread colors before the class starts.

EmbroidaBlock Trimmer by George 2.0

60 mm Rotary Cutter (must have this size)

Embroidery Applique Scissors (I like Havel's 5 ½" curved embroidery scissors)

HoopSisters Scissors – Optional, but you will love the straight blades for trimming ¼" seam allowances

Vanish Light Water Soluble Thread

Superior Monofilament Thread – will be used when you sew on sashing strips

Cotton Thread such as Aurifil for piecing your blocks

Straight Pins, Seam Ripper

Hoop Grip or lightweight rubber mat - Optional
